Orchard Park, NY 14127

Re: Orchard Meadows Subdivision Part 8 – Old Salem Court - Map, Plan and Report Orchard Park Drainage District OPDD 5-2

Dear Board Members:

Attached is a petition, and metes and bounds received by the Town of Orchard Park pursuant to Town Law Section 191, that the Town Board establish a Drainage District for the Orchard Meadows Subdivision Part 8. The map, plan and report for the proposed Orchard Park Drainage District OPDD 5-2 for the Orchard Meadows Subdivision Part 8 prepared by Carmina Wood Morris, P.C. in accordance with Article 12 of the Town Law is available at the Town Clerk's office for public review.

The project involves the installation of the Subdivision's stormwater drainage system, which includes the piping infrastructure, roadway catch basins, bioretention pond, and detention basin systems for stormwater quality. The construction cost of the Subdivision's stormwater drainage system is estimated at \$210,000, which is the Subdivision development costs associated with drainage infrastructure construction only and will be bore entirely by the developer (Nick Costa).

The establishment of a Drainage District is in the public interest because the district will service prospective new homeowners with the required drainage control of water quality and quantity per the Federal EPA Environmental Law, the Clean Water Act and Stormwater Phase II regulations. The district formation is to cover additional costs the Town will encounter due to this unfunded mandate, as well as provide necessary maintenance to the stormwater system.

For the drainage district creation, the applicant has completed and submitted the Short EAF, Parts 1 for this Unlisted SEQR action. The Planning Board has completed a Full Environmental Assessment Form with a coordinated review being conducted with the Town of Orchard Park acting as Lead Agency for the Subdivision Approval.

Visit the Town's website at www.orchardparkny.org

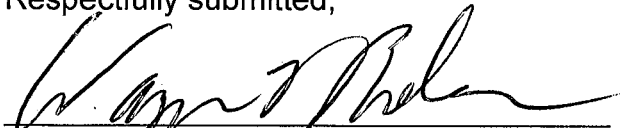

Honorable Town Board
August 2, 2022
Page 2

I, therefore, recommend that you adopt the following resolutions:

- Accept the map, plan and report in accordance with Section 191 of the Town Law for the establishment of the Orchard Park Drainage District OPDD 5-2.
- Authorize the scheduling of a Public Hearing on the creation of Orchard Park Drainage District 5-2 for the Orchard Meadows Subdivision Part 8 at your regular meeting of October 5, 2022.

Subsequent to the public hearing and completion of the SEQR process, you may then adopt the necessary orders establishing the district. Only after the district creation can the associated Subdivision project proceed with the Planning Board final approval.

Respectfully submitted,

Wayne L. Bieler, P.E.
Town Engineer

PUBLIC NOTICE: AMENDMENT TO ZONING

PLEASE TAKE NOTICE that a Public Hearing will be held by the Town Board of the Town of Orchard Park, on September 7, 2022 at 7:00 PM (local time) at the Orchard Park Municipal Center, S4295 South Buffalo Street, Orchard Park New York 14127, regarding

Local Law Two (2) for the Year 2022. This local law provides as follows:

Amending Chapter 144 Zoning, Section 44, Subsection M, Paragraph 2;

SECTION I:

Section 144-44 M (2)

Buildings and parking areas proposed or business and industrial uses, including uses on property in the business or industrial districts where such property is adjacent to a residential or agricultural district, a setback from the rear lot line or any building or accessory building shall be 60 feet.

Please see attached: 144 Zoning Attachment 15 & 144 Attachment 15:1

SECTION II:

This local law shall take effect upon filing in the Office of the Secretary of State or from the date of its service as against a person served personally with a copy thereof.

PLANNING BOARD
TOWN OF ORCHARD PARK

Re: Main Entry Parking Circle Expansion, 101 Sterling Drive, Orchard Park, NY

Mr. Orffeo:

This letter of intent details the applicant's proposal to construct additional parking spaces at the referenced facility.

Description of the Proposed Project:

The project entails a minor increase in the number of parking stalls off the parking circle near the main building entrance at the southwest corner of the facility. The project is intended to address a chronic shortage of parking spaces at this location. The lack of parking at this location forces visitors, vendors and others to leave their vehicles in non-conforming locations that damages landscaping, obstructs traffic and/or creates obstacles for emergency vehicles that serve this entrance. This proposal is not part of the larger building addition plan that was approved in 2019. The status of that former project is currently on hold. The parking increase is intended to address the immediate needs of the facility and does not involve an increase in the number of staff or residents. The applicant was informed that front yard parking is consistent with current zoning and no variances are requested.

The proposal entails the continued use of the existing driveway, the traffic circle and the 5 parking stalls in its present configuration in the west yard of the facility. The proposal also entails the addition of 5 parking stalls, essentially doubling the parking capacity with less than 2,000 square feet of new pavement. The property is 4.491 acres in size. The existing sidewalks and curbing would be extended to provide pedestrian access and safety. The proposal does not include the extension or expansion of utilities, lighting or landscaping. The features of the proposal are shown on the site plan that is included with this submittal.

Location of the Proposed Project:

The project address is 101 Sterling Drive, Orchard Park, NY. The property is located at the northeast corner of the intersection of Sterling Drive and Mile Strip Road. This is approximately 0.5 miles east of the intersection of NYS Rte. 219 (Southern Expressway) and NYS Rte. 179 (Mile Strip Road).

Present Zoning:

The property is Zoned I-1 – Industrial

Sub Lot Number:

The tax parcel S-B-L Number is 152.19-1-25.2

Name of Petitioner:

Rick Cuddy
Providence Consulting & Design

Re: Subdivision and Site Plan Approval
Chase Bank, 3201 Southwestern Boulevard (US Route 20)
Town of Orchard Park, Erie County

Dear Rose,

On behalf of our client, Orchard Park TK Owner LLC, we are pleased to submit plans of the above referenced project for your consideration. We request that this project be placed on the agenda for the Planning Board meeting of September 8th for Subdivision and Site Plan Approval.

Orchard Park TK Owner LLC owns the 22.4 +/- acre plaza located at 3201 Southwestern Boulevard; a 0.9 +/- acre outparcel is proposed to be created and become the site of a new 3,500 SF Chase Bank building. The site is zoned B-2 Commercial – the bank is an allowed use, and no variances are required.

The bank will be located to the south of Southwestern Boulevard, west of the existing Tops Fuel Station. The anticipated operating hours are 9 AM – 5 PM Monday through Friday and 9 AM – 2 PM Saturday. 34 parking spaces are provided, exceeding the required 23 parking spaces. A drive-up ATM is located on the east side of the building. Access to the site is only from within the existing plaza; no new curb cuts onto Southwestern Boulevard are proposed.

Enclosed is the following information to aid in your review:

- 1 copy of this Letter of Intent
- 1 copy of the Planning Application Fee Form
- 1 copy of the Layout Plan (11x17)
- 1 copy of the Layout Plan (full size)
- 1 check for the Planning Board Application fee (\$50)

We look forward to presenting this project to the Planning Board. In the meantime, if you have any questions, or require additional information, please do not hesitate to contact our office.

Respectfully submitted,

Matt Tomlinson, Partner
